## September 2009 Newsletter

Welcome Back!

Volunteer sign up sheets will be sent home with your child(ren) on a regular basis for you to check off an activity for which you would like to volunteer, or you may do so in the office. Some activities will require more help than others. All responses received will be handled on a first come first serve basis, depending on the number of individuals needed to run or organize an activity. We will contact you by telephone with confirmation of your support. There are a lot of activities that The Home and School Association is planning to do this year.
